Successful Selling with Storytelling™

Audio and Visual Requirements

Pres's goal is to help you make this your best event ever. To ensure your event flows smoothly and your audience gets the most out of it, we have put together a checklist with audio and visual requirements:

- LCD Projector and Screen**
- Flip Chart with Fresh Markers**
- Wireless Lavalier Microphone**
- Microphone(s) for Audience if Q&A session included and if more than 250 in attendance**
- Audio Speakers if more than 50 in attendance**

To provide continuous learning for your audience, we encourage you to make a video recording of the presentation. There is no extra charge if you meet the following conditions:

1. The recording is only for your limited internal use and will not be published, posted to a website (an intranet posting is permitted), sold, or otherwise distributed in any form.
2. Copyright of the recording and material it contains remains the property of Pres Vasilev.
3. Pres receives a master copy of the recording within 7 days of the event.
