

**In 2013,
our speaker used the power of storytelling
to rise above 30,000 competitive speakers
from 122 countries
and to become a World Champion
of Public Speaking.**

**Since then,
he has coached hundreds of people
from around the world
to craft compelling stories
and deliver winning presentations.**

**He is here today
to show us
how to use the power of storytelling
to connect with our prospects better,
convert them to customers faster,
and close more sales.**

**Please help me welcome,
Prez
